SPECIAL NOTICES.

The Great Restorative.
FEVER AND AGUE CURED BY DR. M'LANDS LIVER PILLS—Mr. Jonathan Hougham, of West Union, Park County, Illinois, writes to the proprietors that he had suffered greatly filinois, writes to the proprietors that he had suffered greatly from a severe and protracled attack of Fever and Ague, and
was completely restored to health by the use of the Liver Pfils
alone. These Pills unquestionably possess great tonic properties, at Cean be taken with decided advantage for many
diseases requiring invigorating remedies; but the Liver Pills
stand pre-eminent as a means of restoring a disorganized Liveer to healthy action, hence the great colebrity they have attained. The numerous formidable diseases arising from a discased Liver, which so long buffled the skill of the most emineat chysicians of the United States, are now rendered. nent physicians of the United States, are now rendered easy of cure, thanks to the study and perseverance of the distinguished physician whose name this great medicine bears—a name which will descend to posterity at one deserving of gratitude. This invaluable medicine should always be kept ain reach; and on the appearance of the earliest symptom of diseased Liver, it can be safely and usefully admin I Purchasers will please be careful to ask for Dr. Mc-LANE'S Celebrated Liver Pills, and take none else. There are other Pills, purporting to be Liver Pills, now before the public. Dr. M'Lane's Liver Pills, also his Celebrated Ver-

mifuge, can now be had at all respectable Drug Stores in the United States and Canada. [apl—Im] Dr. Morse's Invigorating Elixir or Cordial. Two-thirds of our diseases proceed from an unnatural con-dition of the stomach and nerves. Indigestion arising from a want of vigor in the digestive organs, is the main cause of a large amount of the physical pain and discomfort, and the mental depression which we all, more or less, have suffered. Now in Dr. Morse's Invigorating Elixic or Cordial we have a preparation, vegetable in its nature, and entailing no after penalities by its cures, which goes at once to the fountain of the difficulty. It acts as a stimed ant upon the stemach and the subsidary organs; but its invigorating agency is mild, uniform and constant, and is never followed by any prostrating re-action. If the action of the animal machinery is untrue to the laws of health, it brings it into conformity with those laws, and seems to restrain or impel every vital functhen until the condition necessary to secure the perfection of

vigor and regularity is attained. So much for the philoso phy of its operation. Its results are not a matter of theory; they are established facts. Testimony verified by affidavit, facts notorious as that the sun shines, assure us that dyspep; sia, neuralgia, female irregularities, impotency, barrenn general debility, nervous diseases of all kinds, and chronic wness of spirits, from whatever cause arising are certainly ind radically cured by this preparation.

This Cordial is put up, highly concentrated, in pint bot-

tles. Price threedollars per bettle, two for five dollars, six C. H. RING, Proprietor, for twelve dollars. 192 Broadway, New York. Sold by Druggists, throughout the United States, Canada and West Indies, and by W. F. H. G. Farrell's Celebrated Arabian Liniment Is well known to possess the most wonderfully healing. penetrating, and stimulating properties, and by its prompt-ness in effecting cures, which previously had resisted all other medicines, administered by the most scientific physicians, has placed it far beyond any similar remody ever introduced to the people of the United States. It stimulates the absorbents to increased action, and thus enables nature to throw off disease—it penetrates to the bone, adding strength and activity to the muscles—it is powerfully anodyne and thereby allays nervous irritation, producing a delightfully pleasing sensation through the whole frame. Owing to its emarkable auticeptic properties, it purifies and neutralizes that poisonous, corrosive principle which renders old ulce-rous sores so difficult to heal: it therefore is peculiarly a dapted to their speedy cure. This Limment from its penerating and strengthening qualities has been found to be a specific for Parsiyals or Pulsy, Whiteswellings and diseased joints, and in fact all complaints involving the muscular system. It has cured cases of Rhoumatism of twenty to thirty year's standing, and affections of the Spine wherein the entire spinal column was so crooked and distorted, tha the patient could not walk or stand without artificial support. Numerous cases of Palsy have been cured when the flesh had withered, leaving nothing but the dried skin and bone, and the limbs totally without use or ceeling. For Children with Croup it is of inestimable value, rubbed and bathed over the throat and chest. If applied freely on the cheet it never falls to give relief in the severe coughs at tending Consumption, Asthma and Colds. It heals wounds speedily-will cure Scaldhead, Mange, etc. Planters and Farmers will find it a most valuable medicine to be applied to Horses and Cattle for Sprains, Bruises, Lameness, Stiff Joints, Sweeney, Dry Shoulder, Wounds, Burns, Splint, Chafes or Galis, Hardened Knots on the flesh, etc.

Look out for Counterfeits!

The public are cautioned against another counterfeit The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Liniment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will berhaps only discover their error when the sporious mixture has wrought its evil effects.
